Professional Summary

Motivated Entry-Level Web Developer with hands-on project experience building responsive, user-centric web applications. Proficient in full-stack technologies including JavaScript, React, Node.js, HTML, and CSS, alongside strong foundational knowledge in C++ and Java. Adept at problem-solving with a commitment to writing clean, scalable code and rapidly adapting to new technologies to drive team success.

Education

Galgotias University, Noida, Uttar Pradesh 2023–2026
Bachelor of Technology in Computer Science and Engineering
CGPA: 8.08/10

Government Polytechnic Mau, Uttar Pradesh 2020–2023
Diploma in Engineering
Percentage: 78%

S.S.N.Y.I.C Nashirpur Mau, Uttar Pradesh 2015
Class X (Secondary Education)
Percentage: 70.5%

Technical Skills

Programming Languages: C++, JavaScript

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js

Soft Skills: Teamwork, Leadership, Communication, Problem-Solving

Projects

Task Management System

Technologies: JavaScript, React, Node.js, MongoDB

- Developed a task management platform allowing users to add, edit, delete, and categorize tasks.
- Designed an intuitive dashboard for daily and project-based task management.
- Integrated status tracking for tasks, transitioning them from Pending to In Progress to Completed.

Multilingual Sentiment Analysis on Social Media Data

Technologies: NLP, ML

- The proposed Multilingual Sentiment Analysis system successfully analyzes and classifies social media content across multiple languages, achieving accurate sentiment detection and demonstrating the effectiveness of advanced NLP and machine learning techniques.
- Experimental results validate that the developed model can efficiently process multilingual social media data, providing reliable sentiment predictions that support decision-making and public opinion analysis.

Internship

Wipro .NET Training Program

- Completed hands-on training in .NET technologies, C sharp, ASP.NET, and SQL Server through the Wipro .NET Program.

Certifications

- AICTE-Eduskills Web Development Certificate
- AlgoUniversity Graph Theory Programming Camp Certificate
